

Pensions conference season insights

Results from polls taken across our 2022 webinar series on a number of pensions hot topics.

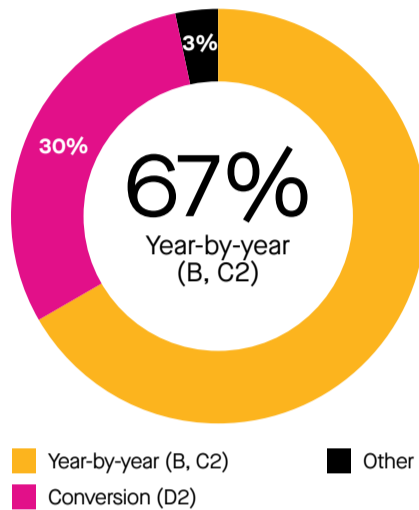

GMP equalisation

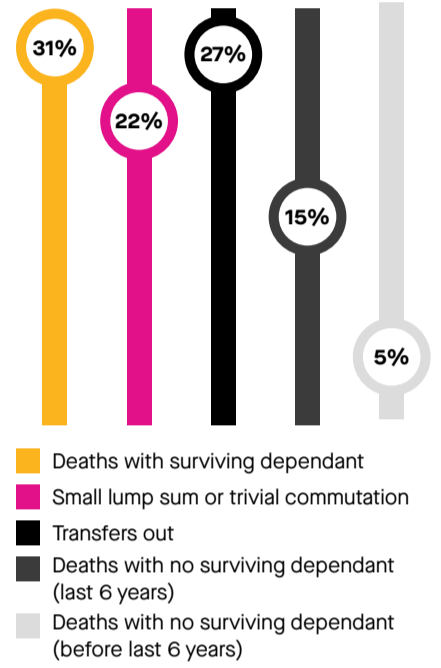

When will you most likely complete GMP equalisation for your scheme(s) – excluding work for past members?

What method is your scheme (or most of your schemes) most likely to use to equalise future payments?

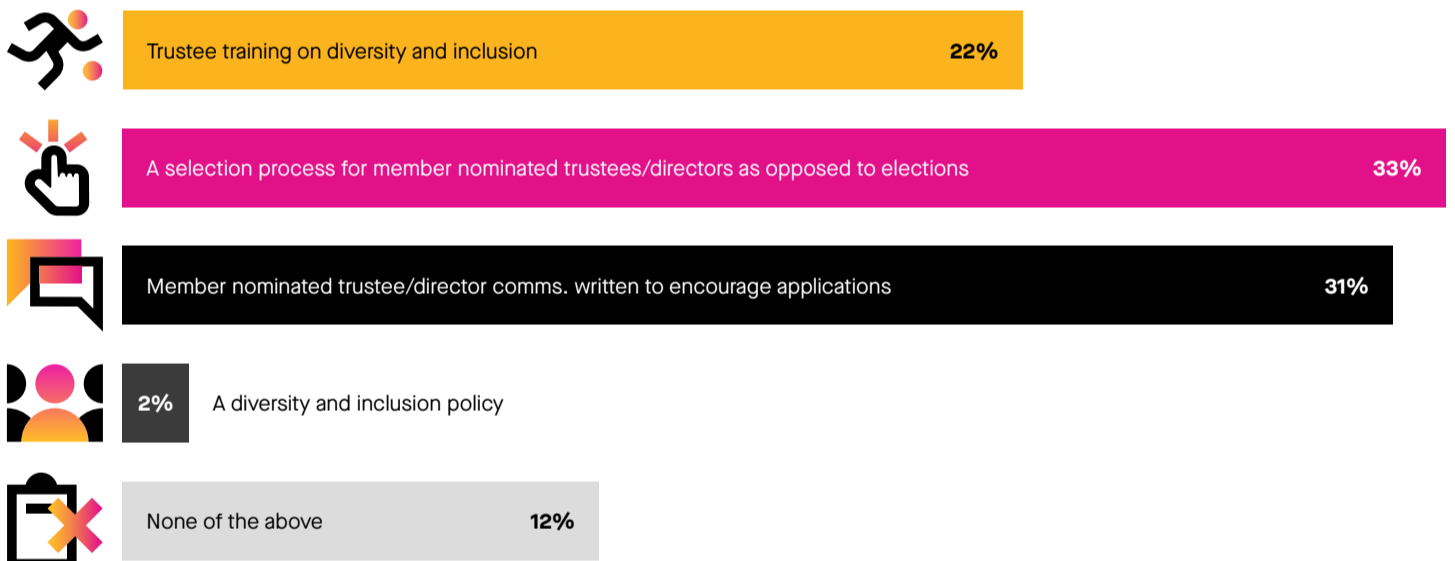

For which of these groups do you think it's generally appropriate to proactively seek to equalise benefits and pay top-ups?

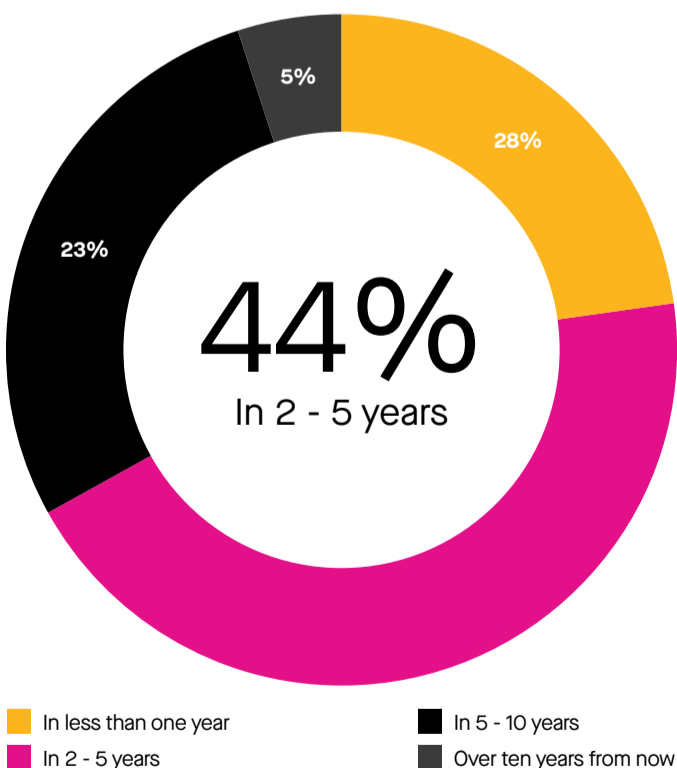

Governance

Which of the following items has your trustee board introduced?

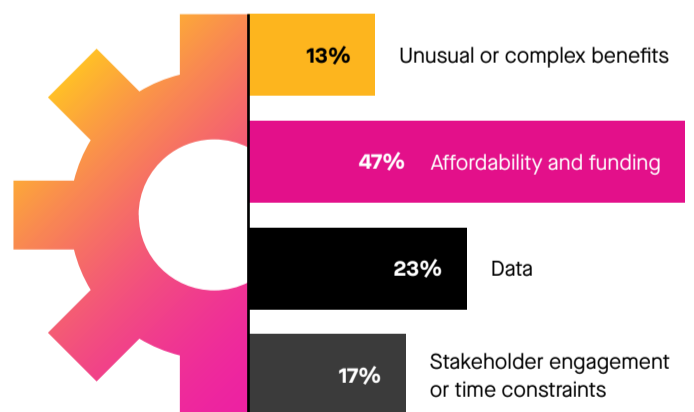

Buy-ins and buy-outs

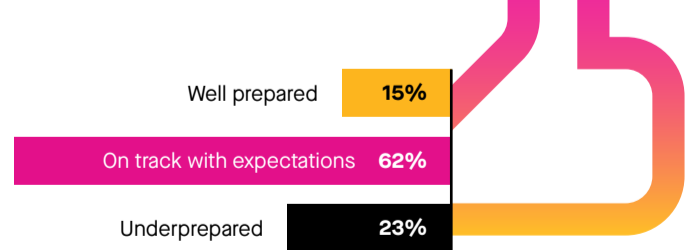

When do you expect to approach the insurance market for a buy-out quote?

What is your biggest barrier needing resolution before you approach the insurance market for a buy-out quote?

How prepared are you to buy-out your scheme?
